

# ACATA MEMBERSHIP CATEGORIES AND FEES

The Australian Creative Arts Therapies Association

## MEMBERSHIP CATEGORIES

The Australian Creative Arts Therapies Association offers three membership categories to reflect the expanding interest of the arts therapies. Each membership category offers a range of benefits and services to support the needs of our members. They also outline the joining requirements which reflect the qualifications and professional status of members. Membership categories are divided into voting and non-voting categories. Only voting members are eligible to vote to elect the committee at the Annual General Meeting.
